Guidelines That Must Be Followed:

1. Filming/photography may not be published, sold, reproduced, distributed or otherwise commercially exploited in any manner.
2. Terms for audio, lighting and shoot locations will be discussed with MOSTHistory staff prior to shoot and may be subjected to other guidelines that are not mentioned in this document.
3. On no condition may the artifacts be touched.
4. Film crew is responsible for any damage incurred on photo shoot sets.

Safety Regulations That Must Be Followed:

- Any and all items brought into the museum will be removed from the building.
- Museum property may NOT be moved in any fashion without written permission.
- Passageways may NOT be blocked by equipment, props or participants.
- Wires may NOT cross passageways or otherwise create tripping hazards.

I agree to follow all directions of MOSTHistory staff as it relates to these policies. I accept responsibility for the conduct and actions of my crew and the equipment used on the location. I understand I am responsible for the reimbursement of any financial liability incurred during the shooting of my production. I certify that this is a one-time film/photograph/video for personal use and not a commercial/promotional film/photograph/video. If at any time the status of this production or its product changes to a commercial/promotional, I must contact the Museum of South Texas History for permission for its use. I understand violation of these provisions may lead to the immediate termination of filming/photography/video.
